

# CLOU<sup>®</sup> BODEN PFLEGE PROFESSIONAL

PROFESSIONAL QUALITY

## FLOOR CARE PROFESSIONAL

For regular/routine care  
of varnished wooden floors,  
laminated and cork

This high-quality care product cleans hygienically, cares effectively in depth and protects from dirt and humidity. Suitable for varnished and sealed floors and stairs made from wood, as well as for cork-, PVC- and plastic coatings.

**Application:** Shake well before use. Remove persistent dirt prior to application. Add 250 ml CLOU Floor care to 10 Litre of water and wash floor using a well wrung-out and lint-free cloth. Wash floors sealed with water-based varnishes only by using a strongly wrung-out cloth due to occurrence of potential damages through wood swelling. Consistent long-term protection is guaranteed after drying, therefore polishing is unnecessary.

**Tip:** In addition to the regular care with CLOU Floor care, basic cleaning 1-2 times a year is recommended with CLOU Floor care deep cleanser to remove adhering soilings and care product residues.

**Ingredients:** under 5% non-ionic surfactants, polyethylene wax, polymers, auxiliary agents and scents

Keep out of the reach of children. Do not drain into the groundwater or sewage system. If swallowed, seek medical advice immediately and show packaging or label.  
Protect from frost!
